SELECTED PROJECTS

- HOVHANNES ISAHAKYAN MUSEUM | Permanent Exhibition Graphics | Armenia

2024 – 2025

 - Led the project independently from layout through to print: 30+ printed elements including labelling, maps and a 4 × 3 m lightbox
 - Restored archival photographs to print resolution; created and refined original illustrations
 - Managed six months of revision cycles with the institution and supervised production
- MANSION BAR | Interior Mural | Yerevan

2023

 - Developed the concept sketch and painted a 5 × 5 m full-wall original illustration on site
- AM MAGAZINE | Editorial Design | with Kolokolchik Publishing

2025 – Present

 - Editorial design, grid and typesetting for a print run of 300 copies

PROFESSIONAL EXPERIENCE

- GRAPHIC DESIGNER | GermaniQA, marketing agency | Yerevan, Armenia

2024 – Present

 - Work in a two-designer team on identity and campaigns for Armenian brands across food, culture, events and manufacturing
 - Developed 3 brand guidelines covering logotype, typography, colour systems and application rules
 - Create key visuals, posters and outdoor advertising, adapting a single concept across print, digital and environmental formats
 - Apply AI generation to produce high-impact visuals that would otherwise require photography or licensed stock
 - Prepare files for print and liaise directly with printing houses on proofing and quality control
- FOUNDER | Polygraph, design and print production

2023 – Present

 - Founded and run a design practice with in-house print production: layout, prepress, printing and delivery
 - Structured operations so production runs with an on-site employee while I work remotely
 - Deliver posters, banners, merchandise and promotional print; handle scoping, timelines and revisions directly with clients
- COMMUNICATION DESIGNER | Independent Practice

2022 – Present

 - Brand identity for independent clients: research, concept, logotype and core identity system
 - Editorial design and typesetting for printed publications
 - Visual direction for websites and social media: grid, typography, colour and content templates
